

GIRLS' PAINS AND WEAKNESS

Yield to Lydia E. Pinkham's Vegetable Compound. Thousands of Girls Benefited

St. Louis, Mo.—"When I was only fifteen years old mother had to put me to bed every month for two days because I suffered such pain. I also suffered from a weakness and mother took me to a doctor but he did not help me. Finally mother made me take Lydia E. Pinkham's Vegetable Compound and it has made me strong and healthy. So when mother or I hear any woman complaining we tell them about Lydia E. Pinkham's Vegetable Compound and what it did for me."—Mrs. JOHN FRANK, 1121 N. 18th St., St. Louis, Mo.

Girls who suffer as Mrs. Frank did should not hesitate to give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial, as the evidence that is constantly being published proves beyond question that this grand old remedy has relieved more suffering among women than any other medicine.

For confidential advice write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of their forty years experience is at your service.

VARIED ATTRACTIONS FOR CHAUTAUQUA WEEK

"Chocolate Soldier," Musical Spectacle, Features—War Talks Especially Timely.

The big brown tent in which the Redpath chautauqua will be held is being erected today on Chamberlain field on Oak street, and Saturday afternoon Chautauqua's Redpath chautauqua week will open.

Not in all the time that the Redpath chautauqua has been coming to Chattanooga has the program offered been so well rounded, nor have the individual attractions ever been better. With such attractions as "The Chocolate

Soldier," Sir John Foster Fraser, Margery Maxwell and Dunbar's Revue as only a few of fifteen big numbers, the week should prove to be most inspiring and entertaining.

The native Croatian Tamburica orchestra is the offering for Saturday afternoon. In native costumes the Croats will give a grand concert, playing upon tamburicas. The tamburica is the peculiar musical instrument of Croatia. It has been known to the people of the western world only a comparatively short time.

Lou J. Beauchamp, known everywhere as "the humorous philosopher," is the attraction at night. Mr. Beauchamp is one of the great entertainers and lecturers of the American platform.

Much interest is being shown here concerning the coming of Capt. George Frederick Campbell, "the soldier of the sky," who, in two years' flying on the western front, brought down eighteen Hun aeroplanes. He will tell his thrilling story on the sixth night of the chautauqua. Capt. Campbell has lost his entire family in the war—father, mother, three brothers and a sister. He has been in the fighting in Europe almost since the beginning of the war. He is out of it now because of injuries sustained. He has written a book concerning his experiences.

The afternoon entertainments will begin this year at 3:30 o'clock. Night sessions will start at 8:30 o'clock.

Following is the week's official program by days:

Saturday—Afternoon, grand concert

Morning "Pep" in the breakfast cup of good old

MAXWELL HOUSE COFFEE

Tie the way to start the day. At grocers, in sealed tins. Whole, steel-cut, or pulverized.

CHEEK-NEAL COFFEE CO.

AMERICAN AIRMEN WIN RANK OF "ACE"

It is reported also that Lieut. Madon has gained his thirty-second victory. Capt. Pensard won his nineteenth and Second Lieut. Boyau his fourteenth.

NORWEGIAN VESSEL ONE OF TWO MORE LOST

U-Boats Still Operating, Latest Sinking Being Off the Virginia Capes.

New York, June 7.—Two more vessels, a Norwegian steamship and one schooner, were added yesterday to the list of German submarines which are raiding in American waters. The total now stands at thirteen—five steamers and eight schooners.

The fact which stood out most prominently in the day's developments is that the U-boats still are operating near the coast and have not returned to their bases, assuming that the which already have been identified are the only ones on this side of the Atlantic.

This was demonstrated when the Norwegian steamer Eidsvold was sunk off the Virginia capes late yesterday. The location of the attack shows also that the submarines are moving steadily southward, if they are the same ones which attacked shipping almost at the gateway to New York harbor. The navy department reported yesterday an encounter between a destroyer and a submarine off the coast of Maryland.

LIEUTENANT BRINKERHOFF FACES COURT-MARTIAL

Montgomery, Ala., June 7.—Lieut. Harry P. Brinkerhoff, of Toledo, O., of the 12th field signal battalion, last night faced a general court-martial, presided over by Brig.-Gen. Smith, to answer charges of violating the ninety-third and ninety-sixth articles of war. The judge advocate stated that one charge was conduct unbecoming an officer, and the other dealing with misapplication of funds.

VISCOUNT BRYCE INDORSES APPEAL MRS. MAX GREEN

For Unity Between England and Ireland—Urges Hasty Passage Home Rule Bill.

London, June 7.—Viscount Bryce, former British ambassador at Washington, in a statement in reply to the appeal of Mrs. Max Green, daughter of the late John E. Redmond, on May 24, indorses her appeal for unity between England and Ireland. He urges the British parliament to hasten the passage of an adequate home rule bill, "but at the same time asks the people of Ireland to 'make it plain to the world that the Irish people stand in line with Britain, America, Italy and France in their determination to save the world from the menace of German ruthlessness and tyranny.'"

TREASURY CERTIFICATES EXCHANGEABLE FOR TAGES

Internal Revenue Collector Craig Issues Instructions for Guidance of Deputies.

E. B. Craig, collector of Internal revenue, at Nashville, has been advised by the commissioner of internal revenue at Washington that it is a matter of importance to the financial arrangements of the government that taxpayers who have purchased treasury certificates of indebtedness, maturing June 25, should use such certificates in payment of their taxes and not present the certificates for payment in cash.

Collector Craig is instructed to accept all certificates maturing June 25, 1918, tendered in payment of income and excess profits taxes and will endeavor to accommodate, in every way possible, large taxpayers holding such certificates who wish to use them in payment of taxes due. Taxpayers, both individuals and corporations, holding such certificates and owing income or excess profits taxes, and holding or having them stored in a city where there is a federal reserve bank, may communicate direct with the collector and request from him authority to deposit the certificates with the federal reserve bank in the city in which the certificates are at that time stored, but it should be distinctly understood that the federal reserve bank is to issue a certificate of deposit in the name of the collector of internal revenue, covering the face of the certificates of indebtedness and to state on the face of the same that the amount represented

thereby is in payment of income and excess profits taxes. Such certificate should be accompanied by a statement as to the name of the taxpayer for whom payment is made, in order that the collector may make the necessary record.

It should be noted that certificates in excess of the amount due by taxpayer could not be handled, as he has no way of paying the amount in excess of the tax due.

Perfect Health Is Yours If the Blood Is Kept Pure

Almost Every Human Ailment Is Directly Traceable to Impurities in the Blood.

You cannot overestimate the importance of keeping the blood free of impurities. When you realize that the heart is constantly pumping this vital fluid to all parts of the body, you can easily see that any impurity in the blood will cause serious complications.

Any slight disorder or impurity that creeps into the blood is a source of danger, for every vital organ of the body depends upon the blood supply to properly perform its functions.

Many painful and dangerous diseases are the direct result of a bad

condition of the blood. Among the most serious are Rheumatism, with its torturing pains; Catarrh, often a forerunner of dread consumption; Scrofula, Eczema, Tetters, Erysipelas and other disfiguring skin diseases; Malaria, which makes the strongest men helpless, and many other diseases are the direct result of impure blood.

You can easily avoid all of these diseases, and rid the system of them by the use of S. S. S., the wonderful blood remedy that has been in constant use for more than fifty years. S. S. S. cleanses the blood thoroughly, and routs every vestige of impurity. It is sold by druggists everywhere.
